I understand that this application, which includes personal data about the named player for the purposes of the Data Protection Act 1998 (the "Act"), will be kept by Watsonian Football Club ("Watsonians"). As well as being held by Watsonians, I understand that this data will be processed by Watsonians in the following ways: -

- disclosure to Scottish Rugby Union plc

- disclosure to Watsonians officials, for example coaches and the administrator

and I consent to this processing.

Photography & Video Policy

While we appreciate this can be a sensitive area, we also need to take account of the interests of parents who want to capture rugby's "magic moments" and the positive coaching benefits flowing from video analysis and feedback. With those factors in mind, photography and video work is permitted at Myreside training sessions and games subject to these considerations: -

- All young people must be appropriately dressed for the activity taking place
- Photography or recording should focus on the activity rather than a particular young person
- Anyone taking photographs or recording at any rugby event must have a valid reason for doing so
- Any concerns regarding inappropriate or intrusive photography should be reported in confidence to the club's Child Protection Officer.

If you do NOT agree to this policy, please email info@watsoniansrugby.com and we will ensure this is passed back to the coaches.
